A Public Hearing was held at 1:00 pm for a CDBG Economic Development Grant in the amount of \$30,000. The grant application will be filed on behalf of Martin's General Store in Sinclair to replace a gasoline tank and infrastructure to support job creation and provide working capital. The project will create one full time job for a low-to-moderate income individual and the business will match the balance of the project cost.

Commissioner Fournier commented that he totally supported the project and the grant application for the funding to assist the business.

Commissioner Adams felt the project was very worthwhile and that it would help the business and the community of Sinclair.

Jerry Beaulieu, the business owner states that the ability for the store to sell super octane gasoline is very important to the community that relies on the tourism and recreation industry from snowmobiles, boating and all terrain vehicles that need that type of gasoline product to operate.

Commissioner Fournier motioned to approve the CDBG application submission.

Commissioner Underwood seconded the motion.
