The Greater East Grand Economic Council (GEGEC) recently submitted a three-year capacity building grant for your consideration.

The Greater East Grand Region is a remote, rural, citizen-designated region that includes twelve communities at the extreme boundaries of three counties. This reality makes it difficult for the region to have a coordinated voice to tackle its challenges and take advantage of its opportunities.

Our organization supports the GEGEC because.....

Thank you for considering the organization's request. The benefits and value the GEGEC has already brought to the region demonstrate that it deserves serious consideration from The Betterment Foundation.

Sincerely,
