RE: 2024 County Subsidy

Dear Mr. Bernier,

Here is the current subsidy for North Maine Woods and Oxbow. We are still struggling to keep the Ambulance service manned. The hourly rate for paramedics is constantly going up. I am hoping this will be the last increase for the next couple of years. The library went up due to retirement and a new Librarian being hired along with filling a part time Librarian at a competitive hourly rate as well. The Recreation Department has basically stayed the same.
