

**REQUEST FOR PRICE QUOTES
LAKE SHORE DRIVE ENGINEERING & SITE PLAN**

The County of Aroostook is soliciting “Price Quotes” for engineering services, site plan work, and all associated project applications and permits with the State of Maine/LUPC for a shoreline repair project on Lake Shore Drive at Madawaska Lake.

All products must adhere to and follow State of Maine – Land Use Planning Commission (LUPC) Specifications.

Project: **Lake Shore Drive Engineering and Site Plan** (Madawaska Lake)
A portion of the shoreline along Lake Shore Drive needs to be repaired.
Shoreline erosion is occurring along sections of Lake Shore Drive. Repairs to include dirt fill (if necessary), geotextile fabric, rip rap and/or natural vegetation planted.

It is recommended that interested parties visit the project sites prior to submitting price quotes. If need be, a County representative will meet with engineers on site. All questions should be referred to John Gibson, Community Services Director, at 493-6306, or by cell at 227-7930.

Bids must be submitted in a sealed envelope, clearly marked “**County of Aroostook – Lake Shore Drive Madawaska Lake Engineering Services**”, and delivered no later than 12:30 pm, Friday, July 24th, 2026.

Please submit price quotes to:

**County of Aroostook
Commissioners’ Office
Attn: Justin Tibbetts
144 Sweden Street, Suite 1
Caribou, ME 04736**

The County of Aroostook reserves the right to accept or reject any or all bids.
